

CHSBUA Umpires,

I hope you're all having a great summer. We're pleased to offer a FREE 3 man Umpire Clinic in Pueblo at the Runyon Complex on September 9-10. This clinic is open to any good-standing CHSBUA umpire from rookies all the way to seasoned veterans. The lead instructors will be Reid Lester, Tyler Norton, Greg Holstine and Mike Tyckson and Mike Wagner. Mechanics instruction will start at 7:30 AM both days followed by games on both fields with evaluations of your performance. Please see game schedule below. Hotel rooms on Saturday night will be provided for those umpires traveling more than 100 miles. There will also be a CHSBUA sponsored dinner on Saturday evening. Don't miss this great opportunity to improve your skills!

**IF YOU WILL BE REQUIRING A ROOM (the rooms will be double occupancy and you must work both days) AND/OR PLANNING ON ATTENDING THE DINNER ON SATURDAY EVENING, PLEASE ADVISE JOHN JURANEK ([jdjurane@msn.com](mailto:jdjurane@msn.com)) BY MONDAY AUGUST 14th.** Rooms will be given to umpires who travel more than 100 miles. Umpires who travel inside that 100 mile radius will be given a gas allowance, this allowance will be paid after the clinic, documentation will need to be sent to Terry Angell treasurer of CHSBUA.

Please select your game times and I will schedule accordingly.

Thank you everyone for wanting to get better at your craft.
